Lake Bluff Golf Course 2026 Junior Golf Program

From its early days as a community gathering place for the game through the late 1990s and early 2010s, Lake Bluff has built a proud tradition of junior golf centered on fundamentals, sportsmanship, and creating lasting summer memories in a safe, welcoming environment. Generations of local families have been introduced to the game at Lake Bluff Golf Club, making junior golf a meaningful part of the community's summer rhythm. In partnership with Lake County Golf Academy, this five-week junior session will meet on Wednesdays and is designed to develop young golfers both on and off the course, with instruction focused on grip, stance, swing fundamentals, short game skills, course etiquette, and confidence-building through structured games and guided on-course experiences. The program begins with a complimentary kickoff lunch and opening clinic on Wednesday, June 10, and is open to juniors ages 7–15, providing a positive, skill-building experience for players of all ability levels as we help the next generation of Lake Bluff golfers learn the game, build friendships, and create summer memories of their own.
